

Child Safety Code of Conduct

A Child Safety Code of Conduct lists behaviours that are acceptable and those that are unacceptable. It provides a high-level statement of professional boundaries, ethical behaviour and acceptable and unacceptable relationships. For more detailed guidance refer to the College's **Staff and Student Professional Boundaries** policy.

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the College environment becomes much more transparent and people are accountable for their behaviour. Above all, a Child Safety Code of Conduct helps to protect children from harm.

The Child Protection Code of Conduct applies to:

- all staff members, including non-teaching staff and temporary or casual staff;
- Volunteers;
- students;
- parents and carers;
- Third Party Contractors and service providers (including External Education Providers);
- members of the College Advisory Board;
- teaching students on placement at the College; and
- visitors.

The Child Safety Code of Conduct set out below is designed to stand alone. It can also be incorporated in whole or part into broader Codes of Conduct that are developed within the College, including other professional or occupational codes of conduct that regulate particular staff at the College.

The Code is made available to all staff, Volunteers, families and students via our public website and staff intranet. A PDF version of our Child Safety Code of Conduct is available [here](#).

ATTENTION: The following is a Child Safety Code of Conduct that meets the requirements set out in Standard 3 of the Victorian Child Safe Standards.

This Code of Conduct is designed to stand alone or to be integrated into the Codes of Conduct published by the *School/College*. In either case, this Code of Conduct *must* be reviewed and amended in light of the *School/College*'s specific requirements.

Our Child Safety Code of Conduct

This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students. The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the College environment. It provides guidance on how to best support students and how to avoid or better manage difficult situations. Where a staff member breaches the Code, Caroline Chisholm Catholic College may take disciplinary action, including in the case of serious breaches, summary dismissal. The College revises the Code annually.

Caroline Chisholm Catholic College has the following expectations of behaviours and boundaries for all adults interacting with students within our College community. This includes all teaching staff, non-teaching staff, volunteers (direct and indirect), third party contractors, external education providers and parents/carers.

The College's College Advisory Board has endorsed this Child Safety Code of Conduct.
