4. Application for Enrolment

An Application for Enrolment form (which can be accessed here: www.cccc.vic.edu.au/enrolment) (**Application for Enrolment**) must be completed and submitted to the College:

- (a) for applications for year 7, by the end of Semester 1 of Grade 5; or
- (b) for applications for year 8 - 12, at any time during the year.

Where an Application for Enrolment for commencement in Year 7 is submitted subsequent to the enrolment application deadline, the College will also take into account the date that the College receives the application in determining priority of admission (discussed further below).

An Application for Enrolment must be submitted with all required documentation and information (as outlined in the Application for Enrolment) as well as payment of a non-refundable Application Fee (see the College's Fees Policy for more information). Otherwise, the College will not accept the Application for Enrolment.

An Application for Enrolment is a pre-requisite to, but not a guarantee of, enrolment at the College.

An Application for Enrolment is also subject to an interview as scheduled by the College, which is also not guaranteed.

It is important that any additional needs (medical or learning) of the Applicant are advised to the College at the time of submitting the Application for Enrolment. Failure to provide all required information, or the provision of misleading information, may result in the College declining to make, or delaying the making of, an offer, or in some cases result in the subsequent withdrawal of an Offer of Enrolment at the College.

Where parent(s)/guardian(s) have declared a medical condition, physical impairment, mental impairment or the need or likelihood of a need for educational support, the College will make an initial assessment of the Applicant's needs. This will include consultation with the Applicant's parent(s)/guardian(s) if necessary. If further or independent assessments are required to be made by non-College personnel, this will be at the expense of the parent(s)/guardian(s).

The College reserves the right to refuse an Application for Enrolment should the College determine that it is not able to reasonably meet the specific needs of the Applicant (even after considering reasonable adjustments), or is not able to provide an environment which is healthy and safe for the Applicant.

Parent(s)/guardian(s) of the Applicant will be advised of whether or not the Application for Enrolment is successful in writing, by post. If the Application for Enrolment is successful, the College will make an Offer of Enrolment to the Applicant. If the Application for Enrolment is not successful, the parent(s)/guardian(s) will have the option to have the Applicant remain on the waiting list.

5. Priority of Admission

Priority of admission is at the College Principal's sole discretion, but otherwise will be as outlined below.

The College has limited places that can be offered each year to prospective students who have submitted an Application of Enrolment (Applicants). Due to the limited places available, Applicants may not be offered a place. The College reserves the right to refuse any Application for Enrolment without providing a reason.
