

Anti-bullying policy (including Cyberbullying)

Introduction

At Caroline Chisholm Catholic College the dignity of the human person is the foundation of all Catholic social teaching and is intrinsic to our education ministry. Consequently, the principle that the person is made in the image and likeness of God is central to the mission of our parish school.

This policy identifies the interconnectedness of the characteristics of quality Catholic learning and teaching. It is intended to value, respect and promote the self-esteem and dignity of each student. The school will actively promote anti-bullying messages, alerting students and staff of the need to be vigilant.

It is essential that we create and maintain a respectful, safe and supportive learning environment that promotes student wellbeing, personal growth and positive self-esteem amongst our diverse range of learners ([eXcel: Wellbeing for learning in Catholic school communities](#)).

The prevention of and responses to incidents of bullying, inappropriate use of technology and disrespectful behaviour are more readily achieved in a caring and supportive school culture that promotes positive relationships and reflects Gospel values. Bullying, cyber-bullying, harassment, aggression and violence disregard core values of our faith, including dignity, respect, justice, equity, compassion, trust and courage. Importantly, such actions can adversely affect the wellbeing of our students and are therefore unacceptable.

Purpose

This policy:

- encourages a culture that is firm about unacceptable behaviour
- articulates how bullying is defined and addressed; including the means taken to prevent incidents and the response taken when an incident occurs
- supports the school's Mission and Vision Statement and guidelines of Melbourne Archdiocese Catholic Schools (MACS)
- actively promotes anti-bullying messages, alerting students and staff of the need to be vigilant.

Principles

This policy is grounded in the beliefs that:

- every person has the right to be treated respectfully and feel safe from any form of verbal, physical and emotional abuse
- the school is committed to building and nurturing a community that values diversity
- parents are the prime educators of their children
- the school community is involved in the development of school policies
- reporting of unacceptable behaviour is essential to the effective implementation of this policy
- complainant(s) will be protected from victimisation
- learning technologies are used ethically and responsibly in the school environment
- communication is respectful and human dignity is valued
- regular monitoring of school policies is necessary.

Definitions

Bullying: is repeated unreasonable behaviour directed towards a person that creates a risk to health and safety. It occurs when an individual or a group deliberately upsets or hurts another person, their property, reputation or social acceptance on more than one occasion. Forms of bullying include:

Physical bullying: pushing, shoving, fighting, pinching and any other unwelcome physical contact used intentionally to intimidate or hurt someone.

Verbal bullying: put downs, particularly those referring to physical characteristics, can result in loss of self-esteem. Racial discrimination of any kind is a form of bullying.

Gesture bullying: non-verbal signals used to silence and intimidate a victim.

Extortion bullying: physically stronger and more powerful students may bully other students into giving up their possessions, buying food and drink, or taking part in rule breaking activities.

Exclusion bullying: deliberately being left out of activities is a most hurtful form of bullying.

Visual bullying: offensive notes or material, graffiti, or damaging other people's possessions.

Sexual bullying: touching, sexually orientated jokes, drawings of, or writing about someone's body, using rude names or commenting about someone's morals, unwanted invitations of a sexual nature, asking questions about someone's private life.

Cyber-bullying: the use of various forms of electronic media to spread text and visual messages to cause hurt, embarrassment, intimidation.

Categories of Bullying: There are three broad categories of bullying:

1. **Direct physical bullying:** This form includes hitting, tripping, and pushing or damaging property.
2. **Direct verbal bullying:** This form includes name calling, insults, homophobic or racist remarks, or verbal abuse.
3. **Indirect bullying:** This form of bullying is harder to recognise and often carried out behind the bullied person's back. It is designed to harm someone's social reputation and/or cause humiliation. Indirect bullying includes:
 - lying and spreading rumours
 - playing nasty jokes to embarrass and humiliate
 - mimicking
 - encouraging others to socially exclude someone
 - damaging someone's social reputation and social acceptance
 - cyber-bullying, which involves the use of email, text messages or chat rooms to humiliate and distress someone.

What Bullying is Not

Many distressing behaviours are not examples of bullying, even though they are unpleasant and often require teacher intervention and management. There are three socially unpleasant situations that are often confused with bullying including:

- **Mutual conflict:** In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power. Both parties are upset and usually both want a resolution to the problem. However, unresolved mutual conflict sometimes develops into a bullying situation, with one person becoming targeted repeatedly for 'retaliation' in a one-sided way.
- **Social rejection or dislike:** Unless the social rejection is directed towards someone specifically and involves deliberate and repeated attempts to cause distress, exclude or create dislike by others, it is not bullying.

- **Single-episode acts:** Single episodes of nastiness or physical aggression are not the same as bullying. If a student is verbally abused or pushed on one occasion they are not being bullied. Nastiness or physical aggression that is directed towards many different students is not the same as bullying.

Procedures

All members of our school community must be aware of the possibility of bullying and take action to prevent bullying if it is reasonably foreseeable.

Appendix: Step-by-Step Guide: Online incidents of inappropriate behaviour affecting students

Step-by-Step Guide: Online Incidents of Inappropriate Behaviour Affecting Students

Step 1 Identify Concerns

Is the student distressed?

A student may feel distressed by events including cyberbullying, sexting, exposure to pornographic images or a breach of the school's Bullying Prevention Policy or Student Engagement Policy.

Has a student been exposed to inappropriate behaviour?

A student may have been exposed to and affected by inappropriate behaviour online. This may put them at risk of suffering significant physical, psychological or emotional harm. They may be in need of immediate protection.

Has a student engaged in inappropriate behaviour affecting ANOTHER student?

A student may have engaged in inappropriate behaviour online that may cause psychological or emotion harm to ANOTHER student(s). All students may be in need of immediate protection.

Has a student engaged in inappropriate behaviour affecting THEMSELVES?

A student may have engaged in inappropriate behaviour online that could be psychologically and/or emotionally damaging to THEMSELVES (e.g. sexting). They may be in need of immediate protection.

Has the student engaged in CRIMINAL behaviour?

A student may have engaged in inappropriate behaviour online that could be deemed as CRIMINAL activity.

*Please note: an incident of concern may include one or more of the above.

Step 2 Take Action

Ensure the student is safe

If you suspect or have identified an incident of concern, it is important to first make sure the student/s are in a safe environment.

Further inquire into the incident

Inquire into the inappropriate incident. This may include discussions with all staff and students who have been directly or indirectly involved the incident and/or its effects.

Step 3 Contact the Appropriate Supports

Leadership team

If your inquiry leads you to believe that a concern is real, but it is NOT CRIMINAL then immediately advise and/or consult a member of the school's leadership team to report the incident and plan the appropriate response and support.

The Victoria Police

If your inquiry leads you to believe that a CRIMINAL offence may have occurred, contact the Police.

In such cases seek advice about contacting the parents of all students involved in the incident.

If a school is unsure whether an incident should be reported, the Police will advise the school as to whether they will investigate or whether the school should handle the situation.

Security Services Unit

All reportable incidents should be reported to Security Services Unit. If a school is unsure whether an incident is criminal or not they can also contact the Security Services Unit. This will alert regional staff.

Phone: (03) 9589 6266

Step 4 Respond and Provide Support

Support all involved people

Provide reasonable and ongoing wellbeing support to all students and staff who were involved in or witness to the incident.

Refer to the School's Policy

In responding to online incidents of inappropriate behaviour, Principals and teachers should refer to their Bullying Prevention and/or Student Engagement Policy and follow the appropriate processes and procedures.

Each Victorian government school has developed a Bullying Prevention and/or Student Engagement Policy that sets out the rights, responsibilities and shared expectations of everyone in the school community, including students, parents, teachers and school staff. The policy clearly defines the consequences for students who behave inappropriately, (online and offline)

Work with Leadership Team

Work closely with your school's Leadership and/or Student Wellbeing Team to discuss strategies that can be used to respond to and support ALL students at risk from the inappropriate behaviour. This may include counselling and support or the development of a Behaviour Support Plan to implement targeted strategies.

Keep a record of the Behaviour Support Plan, make notes on any relevant observations, and review it as necessary.

For more information, visit Behaviour Support Plans:

www.education.vic.gov.au/about/programs/bullystoppers/Pages/teachplans.aspx

Contact Parents

Where appropriate, contact the parents of all students involved. If a school is unsure whether parents should be contacted, the Department's Legal Division or Security Services Unit can assist to make a decision.

Consult Regional Staff

Contact your student wellbeing or Community Liason Officers in your Regional Office for support.
